

# SOUTH CAMPUS TRAILS

## Screaming Eagle Valley Complex

Home of the USI disc golf course, the Screaming Eagle Valley Complex also features grass and dirt trails through the course and into the woods just west of the Broadway Recreation Complex.

These single-use trails are accessible at trailheads off the USI-Burdette Trail and the Bent Twin Outdoor Education Center (behind Eicher Barn). On the west side of the USI-Burdette Trail in the same vicinity are a few short, unpaved trails through the woods by the lake behind USI's residence halls.
