

Application for the Walter F. Sill Geology Field Camp Award (Summer 2024)  
USI Geology & Physics Department

Instructions: Please type responses in the spaces provided on this form. After completing this application, please submit electronically to Dr. Maria ([ahmaria@usi.edu](mailto:ahmaria@usi.edu)) by ~~TBA~~ to be considered for this award.

Eligibility: This award will be made to geology majors who have completed at least 45 USI credit hours with at least 9 credit hours of geology coursework completed, a cumulative GPA of at least 2.75, and who are accepted and will attend a geology summer field camp program at an accredited university. Awards are determined upon the merit of each applicant, reputation of the field program, and availability of funds. A student receiving this award will be required to prove enrollment in the field course, such as a letter from the director of the program or receipt.
